EMPLOYEE EVALUATIONS

Each employee will be evaluated annually by their principal/supervisors.

HARASSMENT

The Haywood County Board of Education believes that all employees and students should be free of unlawful discrimination, harassment, and bullying as a part of a safe, orderly, caring and inviting working and learning environment. The board commits itself to nondiscrimination in all its educational and employment activities. The board expressly prohibits unlawful discrimination, harassment or bullying, including on the basis of race, color, national origin, sex, pregnancy, religion, age, marital status, parenthood, citizenship status, or disability.

The board also prohibits retaliation against an employee or student who has exercised any rights made available through state or federal law, including prohibiting retaliation for reporting violations of this policy.

Any violation of this policy is considered a serious violation and appropriate action will be taken in response to a violation. (See Haywood County Schools policy A-3 for full text)

HEALTH CERTIFICATE

All public school employees upon initial employment, and those who have been separated from public school employment for more than one school year, shall file a completed North Carolina Public Schools "Health Examination Certificate" certifying their freedom from any communicable disease, including tuberculosis or any disease, physical or mental, which would impair the person's ability to perform his/her job duties prior to reporting to work. The "Health Examination Certificate" can be signed by a physician, physician's assistant, or nurse practitioner licensed to practice in North Carolina. Additionally, individuals in these same categories with unrestricted licenses in other states can complete the Health Examination Certificate.

(Reference: North Carolina General Statute 115C-323)

CONDITIONS OF EMPLOYMENT – BACKGROUND CHECKS

Haywood County Schools requires a criminal records check on all newly hired employees including substitutes. Applicants for employment will be rejected if the criminal records check reveals a violation of the law that is more severe than a minor traffic violation or indicates a pattern of behavior that is determined unacceptable by the Superintendent. An employee will not be offered employment or will be dismissed if it is determined that he/she did not report a criminal infraction greater than a minor traffic violation or misrepresented their background information on an employment application.

CRIMINAL HISTORY CHECK OF CURRENT EMPLOYEES

All employees must report to the Human Resources Department any criminal arrests, misdemeanor or felony charges, convictions, guilty pleas, pleas of no contest, prayers for judgment continued, or deferred prosecutions, except for traffic offenses other than felony traffic offenses and DWI charges. The employee must make the report within five business days after the employee receives notice of the charge or disposition.

Failure to make a timely disclosure of a criminal arrest, charge, or disposition that is later disclosed by the employee will result in discipline up to and including suspension without pay. If a verified criminal history check or another source shows that an employee has failed to disclose a criminal charge or disposition, then the employee's employment may be terminated.

The Human Resources Department may conduct criminal history checks using private contractors on current employees at the discretion of the superintendent.

Longevity Pay

All permanent full or part-time employees receive longevity pay after completing 10 years of qualifying service. Longevity is an annual payment based on a percentage of your yearly-based salary. This percentage increases as years of state service increase. Longevity payments are paid during the pay period following your anniversary date of employment.

Compensatory Time

Overtime work is discouraged, but may be granted upon prior arrangement and approval of the immediate supervisor. In accordance with the Fair Labor Standards Act, compensation may be in the form of swap time or paid time. Paid overtime must be approved by the Superintendent.

Holiday Leave

Twelve-month employees observe 11 or 12 holidays per year, depending on the day of the week Christmas falls. Ten-month employees have 10 or 11 holidays yearly, depending on when Christmas falls.

Annual (Vacation) Leave

Permanent full and part-time employees earn vacation leave. To earn vacation leave in a given month, employees must be working or be on paid leave during half or more of the workdays in that month. Eligible part-time permanent employees earn leave equal to their percentage of full-time employment. Instructional personnel, bus drivers, and cafeteria workers are not permitted to take vacation leave on days when students are scheduled to be in class unless the employee's absence is due to a catastrophic illness and all sick leave has been exhausted. (Exception: In extreme circumstances, leave may be approved at the principal's discretion.) On June 30 of each year, employees with more than 30 days of accumulated leave will have the excess accumulated leave converted to sick leave so that only 30 days are carried forward to the next fiscal year, which begins on July 1. The employee's supervisor must approve requests for annual leave.

Classroom teachers with a balance of more than 30 days of annual leave at the end of the school year who have been deprived of the opportunity to take all of the annual leave earned during the school term may be paid for up to four days of forfeited vacation rather than having excess leave converted to sick leave.

Annual leave will be transferred when employees transfer among local educational agencies and may be transferred to state agencies if they are willing to accept the leave; otherwise, employees leaving the public schools will be paid for up to 30 days of accumulated leave. In case of death, the employee's estate will receive payment for any accumulated vacation leave up to 30 days. The chart below shows the number of days of vacation earned each month based on years of state service.

WHEN YOU HAVE	YOU ARE GRANTED	
	Days Per Month	10-Month Employees
Years of State Service		
Less than 2 years	1.00	10.00
2 but less than 5 years	1.15	11.50
5 but less than 10 years	1.40	14.00
10 but less than 15 years	1.65	16.50
15 but less than 20 years	1.90	19.00
20 years or more	2.15	21.50

Sick Leave

Permanent employees who are working or who are paid leave for half or more of the workdays in a monthly pay period earn sick leave at the rate of one day per month. This is in addition to any excess accumulated annual leave that may be converted to sick leave. Eligible permanent, part-time employees earn sick leave equal to their percentage of full-time employment. Sick leave may be granted for (1) periods of temporary disability, (2) illness in the employee's immediate family that necessitates the employee's attendance, (3) death in the immediate family, and (4) medical appointments.

Employees who use sick leave in excess of ten (10) consecutive days must provide a doctor's statement for the principal or supervisor.

Sick leave may be accumulated indefinitely and is transferable among local school systems and may be transferred to a state agency, community college, or technical institute if they are willing to accept the sick leave. Accumulated sick leave, for someone who separates from service, may be reinstated provided the employee returns to work within sixty (60) calendar months from the date of separation.

Twenty-Day Extended Sick Leave

Instructional personnel (excluding teacher assistants) may request 20 days each year of additional sick leave, less the cost of a substitute, for personal illness. This extended sick leave may be used after all accumulated sick leave has been exhausted. Extended sick leave cannot be accumulated. *Reference: Board Policy P-15*

Leave of Absence with Pay

Jury Duty: When permanent school employees are absent from work to serve on a jury, no deduction is made from their regular salaries. Employees are entitled to their regular compensation plus any fees received for jury duty.

Court Attendance: When permanent employees are absent from work to attend court in connection with their official duty or because they were subpoenaed or directed by proper authority to appear as a witness for another individual, no salary deduction is made. Any fees

received when serving in an official capacity as a witness must be returned to the local school system. If, however, an employee is a defendant or a plaintiff in a case and must be absent from work, no salary is to be received unless that time is charged to vacation or personal leave where applicable.

Military Leave: Leave with pay is granted to members of reserve components of the U.S. Armed Forces for certain periods of active duty training and for state military duty. Leave with pay is extended to full or part-time permanent school employees, normally not to exceed 15 days each calendar year, for annual training and military maneuvers. Military leave without pay can be granted for one enlistment period of active service, not to exceed four years plus 90 days.

Personal Leave: Teachers earn two days of personal leave during the ten-month school term with a salary deduction for the cost of substitute teachers. These days can be accumulated to a maximum of five days and are transferable among school systems. Personal leave is granted upon authorization of an employee's immediate supervisor. This type of leave is not normally provided on the first day of school, a required teacher workday, the last day before, or the next working day after a holiday or scheduled vacation day. In special situations, supervisors may approve leave that does not conform to the above stipulations.

Voluntary Shared Leave: The purpose of voluntary shared leave is to provide economic relief for employees, who by reason of prolonged absence caused by serious medical conditions of self or immediate family, are likely to suffer financial hardship. Only permanent full and part-time employees are eligible to receive donated shared leave. To be eligible, all employees except instructional personnel must have no more than 10 days of sick and annual leave combined. Instructional personnel are eligible with no more than 5 days of sick leave.

An employee must apply to the Human Resource Department for donated shared leave. A request for donated leave must be accompanied by a doctor's statement.

Any employee who has in excess of five sick or annual leave days accumulated is eligible to donate leave subject to certain restrictions and approval by the Human Resource Office. Sick leave may be donated only to any employee who is a member of the immediate family. Employees may not give or receive compensation in any form for donated leave. Acceptance of compensation for donated leave may result in dismissal. Forms for requests and donating leave are in the policy manual. For information contact the Human Resource Office.

Professional Leave

Professional leave for participation in workshops and meetings is available if approved by the principal or supervisor. Teachers must have the principal's approval prior to taking professional leave. Long term professional leave of up to one year for educational purposes may be requested. Long term professional leave is non-paid. Requests are subject to approval by the Board of Education.

Leave of Absence Without Pay

Pregnancy and Parental Leave: Male or female school employees are granted a leave of absence without pay for up to one calendar year for birth or adoption of a child. An employee on non-paid family leave will not be covered by health/dental insurance unless the employee arranges for coverage on a self-paid basis. Employees do not receive pay for holidays or vacation days

scheduled on the calendar during their non-paid leave. Employees should contact the Human Resource Office to arrange family leave. *Reference: Board Policy P-15*

Family Medical Leave Act

It is the policy of the Board to provide all eligible employees with leave as provided in the federal Family and Medical Leave Act of 1993 and applicable state leave and state board policies. Employees are eligible if they have worked for the school system for at least one year and for 1,250 hours during the previous 12 months. Employees should contact the Human Resource Office to arrange for Family and Medical Leave. *Reference: Board Policy P-15*

Health Insurance

Health insurance coverage is provided for full-time permanent employees with dependent coverage available. Employees may choose from among several plans. Permanent part-time employees are eligible for coverage on a self-paid basis. Employees can receive a health benefits manual. Employees are responsible for being knowledgeable of their health benefits regulations. Questions about health insurance may be directed to the Insurance Clerk at the Central Office.

Retirement

The North Carolina Teachers' and State Employees' Retirement System covers permanent, full-time employees. Employee contributions are paid with pretax dollars, thereby reducing the current state and federal income taxes. Employees receive a retirement booklet each year. It is the responsibility of the employee to be knowledgeable of the retirement regulations.

Supplement Retirement Income Plan of NC (401K)

Participation is available in the 401 (K) Supplement Retirement Income Plan of North Carolina. BB&T is the state administrator of the plan. For information contact the Payroll Department.

Tax Sheltered Annuities (403B)

Tax-sheltered annuities are available for interested employees. Employees are provided payroll deduction for the purchase of a tax-sheltered annuity from approved vendors.

Cafeteria Benefits Plan

Haywood County Schools offers all full-time employees a comprehensive Cafeteria Benefits program. The Cafeteria Benefits program allows employees to pay for certain insurance premiums, child-care, and unreimbursed medical expenses before taxes are taken out of the paycheck. Paying for these benefits in this method reduces the employee's taxes and increases take-home pay. The Cafeteria Benefits program includes Cancer Care Insurance, Eye Care Plan, Accident Plan, Delta Dental Insurance, and Flexible Spending Accounts.

If coverage is declined by the employee during the first 30 days following the employment date, the employee will have a one-year waiting period for coverage with the exception of preventive care service.

Direct Deposit

Direct Deposit is available for all current employees to the bank of their choice.

Student and Employee Relationships

The Haywood Schools expects the relationship between employees and students to be professional at all times. All employees have a responsibility to provide students with a safe and supportive environment with an atmosphere of trust and mutual respect. See HCS Board Policy

HIPAA – Health Insurance Portability and Accountability Act

The HIPAA Act is a Federal Law that was passed in 1996. Additional guidelines were issued December 4, 2002. A portion of this federal law is called the Privacy Rule. Through the Privacy Rule, the federal government is seeking to protect, and keep private, individual's personal health information (PHI). All of our insurance and plans that are required to be HIPAA compliant have done so.

Liability Insurance

All employees of Haywood County Schools are covered by the Board of Education's School Professional Liability Insurance Policy. The program covers legal liability for an act, error, or omission in services rendered in the discharge of school district duties.

Workers' Compensation Insurance

Provisions of the Workers' Compensation Act are applicable to all paid school employees. When an employee is injured on the job, he/she must ensure that the principal/supervisor has knowledge of the injury immediately following the accident. The employer's Report of Injury to Employee (Form 19) must be investigated, completed and signed by the employee's supervisor and forwarded to Human Resources. All Worker's Compensation injuries are subject to mandatory drug/alcohol testing. (see Employee Safety Handbook online)

The highest standards of honesty, integrity, morality, and fairness are expected of all employees at all times. Employees are expected to perform their jobs in a competent and ethical manner without violating the public trust or applicable laws, policies, and/or regulations. School Winter Weather Closings and Delays

When weather conditions cause a change in school schedules, local media are notified (usually by 5:45 a.m.) each morning so the change may be announced as soon as reasonably possible. We will continue to use Alert Now to call parents and staff about closings or delays. Please make sure you notify the appropriate person at school if you are a new employee or if your telephone number has changed. This service was purchased for parent and staff notification and is not available for use with businesses or community organizations. One of four announcements will be made.

1. **School Closed – Optional Workday** – Schools will be closed for students. However, faculty and staff have the option of reporting to work or taking an annual leave day.
2. **School Closed – Annual Leave Day** – Schools will be closed for students. Ten month employees will have an annual leave day deducted from their allotment and should not report to work. Eleven and twelve month employees may use annual leave or report to work.
3. **Closed (or No Day)** – Schools will be closed for students and all staff. Staff may only work with the prior approval of the Superintendent, Associate Superintendent or Principal. This day is rarely used. However, it may be used when annual leave days and workdays have been exhausted or are nearly exhausted. It may also be used in situations in which the weather is extremely dangerous and the school district believes employees risk injury if they attempt to report to work.
4. **Two-Hour Delay** – Buses will operate two hours later than their regular schedule for morning bus runs. Buses will not run on icy roads. In the afternoon, buses will operate their normal time and route schedules to the extent roads can be safely traveled. When there is a two-hour delay, school buildings will be opened on the normal operating schedule so parents may leave children at school. Students arriving at the normal time should report to their first class or the school's designated area. Regular class schedules will begin two hours later than the normal schedule. Faculty and staff are to report to work on the normal schedule.

AlertNow Rapid Notification System

School system administrators use AlertNow, a rapid notification communications tool that can deliver uniform information to parents at a rate of 4,000 to 6,000 calls per minute. Individual schools may use AlertNow to make announcements about activities such as school programs, performances, report card distribution, extra-curricular events and if necessary, emergency situations. At the school system level, AlertNow is used to make announcements about inclement weather schedule changes and special district-wide events.

The guidelines for using AlertNow are the same as any other form of school communication. Therefore, school policies and laws prohibiting communication about religious, political or profit making activities also apply to AlertNow.
