

Board Policy Adoptions and Changes

Board Policy: SB-1
Adopted: January 20, 1992
Revised: June 8, 1998

Policies of the Haywood County Board of Education shall be adopted, amended, altered or terminated in the following manner:

1. Anyone proposing an adoption or change in school board policy shall present the new policy or change in writing at a regularly held meeting of the board. The written proposal shall contain the entire wording as proposed.
2. The proposal will be presented as information with action delayed until the next regularly scheduled meeting of the Board at which time it will be considered, debated, amended, enacted, or rejected.
3. Any proposal presented according to #2 above may be amended at the meeting at which the proposal is considered. Amendments must deal with the subject matter of the proposal.
4. This policy may be altered or waived upon the concurrence of two-thirds of the members of the Board. The Board retains this option because it is recognized that some matters are of such importance that a delay in acting might jeopardize the operations of the school system.
