

The board desires to provide opportunities to responsible suppliers to do business with the school system. To this end, the ~~superintendent~~ finance officer or designee is directed to develop and maintain lists of potential vendors for the various types of materials, equipment, and supplies. Such lists ~~will~~ may be used in the development of a mailing list for distribution of specifications, invitations to bid, and notice of other competitive purchasing processes.

The ~~superintendent~~ finance officer or designee has the discretion to determine which vendors are included on the list and may establish standards for being placed on the list or for remaining on the list. The ~~superintendent~~ finance officer or designee is encouraged to include vendors listed as historically underutilized businesses with the Division of Purchase and Contracts at the State Department of Administration.
