

USE OF EQUIPMENT, MATERIALS, AND SUPPLIES BY NON-SCHOOL GROUPS

Policy Code:

6522

Members of the community may use resources in the media centers whenever the centers are open to the public [with prior approval from the principal](#). Students and school-related functions have priority over community members and non-school-related functions.

The use of equipment, materials, and supplies by members of the community and non-school groups is otherwise prohibited unless such use is in conjunction with an instructional or other activity sponsored by a school or the school system.
