

The board of education believes that it is important for employees to have leave available to attend to personal, civic, and professional matters, as well as to meet family commitments. This need for leave is to be balanced with the need to provide an effective instructional program for students. No employee may be discharged, demoted, or otherwise subjected to adverse employment action for taking leave in accordance with board policies and administrative procedures.

All requests for leave, with or without pay, must be addressed in accordance with state and federal law, as well as policies promulgated by the State Board of Education, including those specified in the most current edition of the *North Carolina Public Schools Benefits and Employment Policy Manual*, available at <http://www.ncpublicschools.org/district-humanresources/key-information>.

In addition to applicable laws and regulations, ~~this following board policies~~ applies to leave requests. The information in this policy is intended to supplement, not replace, the requirements of law and the State Board of Education. In the event that changes to State or federal law or regulation conflict with current State Board or local board policies, the board intends that its leave practices be modified to the extent necessary to comply with current law until such time as conforming changes to State Board and/or local board policy are made.
