

MAKING IT EASY... TO GET WORKERS' COMPENSATION PRESCRIPTIONS FILLED.

Helios has been chosen to manage your workers' compensation pharmacy benefits for your employer or their insurer. Below is your First Fill card that will allow you to receive your injury-related prescriptions at your local pharmacy. Please fill out the card based on the instructions below.

Injured Employee:

If you need a prescription filled for a work-related injury or illness, go to a Helios Tmesys network pharmacy. Give this temporary card to the pharmacist. The pharmacist will fill your prescription at low or no cost to you. **Please be advised that Synergy Coverage Solutions does not pay for physician dispensed medications or compounds. You may be prescribed medications that require prior authorization, which will be indicated to the pharmacist when you present your prescription.** When this occurs please have the pharmacist contact Helios at 800.964.2531 for an approval and/or assistance.
