

PROHIBITION AGAINST RETALIATION

Policy Code: **1760/7280**

The board of education prohibits and will not tolerate any form of reprisal, retaliation, or discrimination against any employee who (1) in good faith, has made or intends to make a report that there has been a violation of federal, state, or local law, regulation, or public policy due to a practice, policy, act, or omission of the board of education, of a school system employee, or of an entity/person with whom the school system has a business relationship; or (2) has refused to carry out a directive which may constitute a violation of state or federal law, rule, or regulation, or poses a substantial or specific danger to public health and safety.

An employee who reasonably believes that any such violation exists may file a grievance in accordance with policy 1750/7220, Grievance Procedure for Employees, or a complaint in accordance with policy 1720/4015/7225, Discrimination, Harassment, and Bullying Complaint Procedure.

The provisions of this policy apply only to those situations in which an employee brings the alleged unlawful activity, policy, or practice to the attention of school officials or the board and provides school officials or the board with a reasonable opportunity to investigate and correct the alleged unlawful activity. If necessary, school officials or the board may specify reasonable steps to protect the complaining employee from retaliation.

Each employee will receive a copy of this policy and sign a statement verifying his or her receipt and understanding of this policy.
