MISSION STATEMENT

Haywood County Schools' mission:

To be passionate about our work to serve students

To be the best in the world at promoting student success

To be productive in our work to serve students and promote their success

Passionate work

Productive work

Student success

STATEMENT OF PURPOSE

An educated citizenry is essential to good government in this country and cannot exist without effective public schools that offer a high quality education to all students. The goal of student discipline is to maintain safe and caring schools, to teach students to behave in ways that contribute to academic achievement and school success, and to support a school environment where students and staff are responsible and respectful. As such, school disciplinary measures should be used to preserve the safety of students and staff. Haywood County Schools is committed to providing an environment where teaching and learning take place in an atmosphere free from disruption and obstacles that impede learning.

GENERAL PROVISIONS

All students are expected to comply with all rules governing behavior and conduct. It is the responsibility of the principal/assistant principal to investigate fully the cases of students appropriately referred to his/her office for misbehavior, to ensure fair treatment of such students and protection of their procedural and substantive rights, and to determine what, if any, disciplinary action is warranted. The teacher shall have the responsibility and authority to discipline students, except in those cases requiring the attention of the principal/assistant principal.

- Unless otherwise specified, and/or with the exception of a Class V violation as later defined, this code shall apply to all students in the system before, during, and after school hours while at school, in any school building, and on any school premises; on any school-owned vehicle or in any other vehicle used to transport students to and from any school or school activities; bus stops; off school property at any school-sponsored or school-approved activity, event, or function, including athletics; and during any period of time when students are subject to the authority of school personnel; to include conduct which occurs off school property which has or is reasonably expected to have a direct and immediate impact on the orderly and efficient operation of the schools or the safety of individuals in the school environment.
- The principal/assistant principal of the school to which the student is officially enrolled shall be responsible for imposing any disciplinary action upon the student for rule violations occurring away from the student's home school.
- Any student who drives a vehicle onto any Haywood County Schools' property is responsible for the contents of that vehicle. Prior to coming onto Haywood County Schools' property, students should ensure the vehicle does not contain any contraband that would violate the law or any school rule.
- Possession shall be defined as the prohibited item being on the person, in the student's personal effects, vehicle, locker, desk, or in the immediate control of the student.

- The principal and superintendent may consider the student’s intent, disciplinary and academic history, the potential benefits to the student of alternatives to suspension, and other mitigating or aggravating factors when deciding whether to recommend or impose a disciplinary reassignment or long-term suspension.

Students with Disabilities:

In assigning appropriate disciplinary consequences under this Code of Conduct, eligible students will be given all rights as provided by the IDEA, Section 504 of the 1973 Rehabilitation Act and the 1990 Americans with Disabilities Act. Procedures on implementing requirements for students with disabilities are found in Policies Governing Services for Children with Disabilities and Section 504 Procedures and Guidelines handbook.

Suspension or Reassignment periods:

During the period that a student is suspended or disciplinarily reassigned to an alternative program, he/she is prohibited from entering the grounds of any school in the Haywood County School system or from attending any school-related functions, including graduation, without the express permission of the building principal. During a period in which a student is long-term suspended or disciplinarily reassigned to an alternative program, the student is prohibited from any Haywood County School system property other than the alternative school/program to which the student has been reassigned.

Violation of Board policies, this student Code of Conduct, any behavior management plan or regulations issued by the individual school, or any North Carolina General Statutes may result in disciplinary action including expulsion or suspension of the student from Haywood County Schools pursuant to the Due Process Procedures for Haywood County Schools.

Violations of the Haywood County Schools’ Student Code of Conduct may result in a Disciplinary Reassignment to an alternative education program. If the principal determines that a Disciplinary Reassignment is appropriate, the principal may recommend to the superintendent or his/her designee that the student be reassigned to an alternative educational program.

Disciplinary reassignment of a student to a full-time educational program that meets the academic requirements of the standard course of study established by the State Board of Education and provides the student with the opportunity to make timely progress towards graduation and grade promotion is not a long-term suspension requiring the due process procedures described in Policy [4353](#) – Long-Term Suspension, 365-Day Suspension, Expulsion.

In addition to the compulsory attendance law, if the student fails to enroll in and regularly attend the alternative educational setting as reassigned, or other appropriate school (e.g. private or charter school, North Carolina Virtual Public School, etc.), the disciplinary reassignment will continue until such time as reassignment to the home school is appropriate as determined by the superintendent or his/her designee. A disciplinary reassignment may continue for a period up to and including that which could be imposed for a long-term suspension. In addition, if the offense(s) leading to the disciplinary reassignment occurs during the final quarter of the school year, the reassignment may include a period up to the remainder of the school year in which the offense was committed and the first semester of the following school year. For the purposes of this regulation, Central Haywood High School, Haywood Middle Academy and Bridges will not be considered an “Alternative Placement” for disciplinary reassignment.

VIOLATIONS & CONSEQUENCES

Violations of the Student Code of Conduct shall be dealt with in accordance with the guidelines established in the school's behavior management plan (see Policy [4302](#) - School Plan for Management of Student Behavior).

Minor Violations

Minor violations of the Student Code of Conduct are those less severe infractions which involve a lower degree of dangerousness and harm. Examples of minor violations include the use of inappropriate or disrespectful language, noncompliance with a staff directive, dress code violations and minor physical altercations that do not involve weapons or injury. Aggravating circumstances, however, may justify treating an otherwise minor violation as a serious violation.

Minor violations of the Student Code of Conduct may result in disciplinary measures or responses up to and including short-term suspension. Further information regarding the procedures for short-term suspensions is provided in Policy [4351](#) - Short-Term Suspension. Other disciplinary measures or responses may include, but are not limited to, the following:

1. parental involvement, such as conferences;
2. time-out for short periods of time;
3. behavior improvement agreements;
4. instruction in conflict resolution and anger management;
5. peer mediation;
6. individual or small group sessions with the school counselor;
7. academic intervention;
8. in-school suspension;
9. detention before and/or after school or on Saturday;
10. community service;
11. exclusion from graduation ceremonies;
12. exclusion from extracurricular activities;
13. suspension from bus privileges;

The parent or guardian is responsible for transportation that may be required to carry out the consequence. With the exception of suspension from bus privileges, if a parent or guardian is unable to provide transportation, another consequence will be substituted.

Serious Violations

Serious violations of the Student Code of Conduct may result in disciplinary reassignment or any of the other consequences which may be imposed for minor violations. In addition, serious violations that either (1) threaten the safety of students, staff or school visitors or (2) threaten to substantially disrupt the educational environment may result in long-term suspension or expulsion. Certain violations involving firearms or explosive devices may result in a 365-day suspension. Further information about the procedures for disciplinary reassignments is provided in Policy [4354](#) - Disciplinary Reassignments.

Information regarding the standards and procedures for long-term suspensions, 365-day suspensions and expulsions is provided in Policies [4351](#) - Short-Term Suspension and [4353](#) - Long-Term Suspension, 365-Day Suspension, Expulsion. Also, a local Board of Education may deny admission to or place reasonable conditions on the admission of a student who has been expelled from a school under [G.S. 115C-390.11](#) or who has been expelled from a school for behavior that indicated the student's continued presence in school constituted a clear threat to the safety of other students or staff as found by clear and convincing evidence, or who has been convicted of a felony in this or any other state. DUE PROCESS

The Board of Education mandates and the law requires that all students be treated fairly and honestly in resolving grievances, complaints, or suspensions/expulsions. Due process will be defined as fair and reasonable notices and approaches to all areas of student governance and discipline on the part of all school officials. The principal shall give full and complete consideration to the defense or excuses, if any, made by the student and dismiss the charges if not satisfied as to the guilt of the student or reduce the punishment if not satisfied as to reasonableness of the proposed disciplinary action under all the circumstances. Due process procedures will be followed in accordance with Policies [4351](#), [4353](#), [4370](#). A summary of those procedures is provided below. Students and parents should consult the relevant policy for complete information.

A. SHORT-TERM SUSPENSIONS (10 DAYS OR LESS) ([Policy 4351](#))

Students and their parent/guardian will be given an opportunity for an informal hearing with the principal/assistant principal before a short-term suspension is imposed. Except in the circumstances described below, a student and their parent/guardian must be provided an opportunity for an informal hearing with the principal/assistant principal before a short-term suspension is imposed. The principal/assistant principal may hold the hearing immediately after giving the student and their parent/guardian oral or written notice of the charges against him or her. At the informal hearing, the student and their parent/guardian has the right to be present, to be informed of the charges and the basis for the accusations and to make statements in defense or mitigation of the charges. Following the hearing, the principal/assistant principal shall provide written notice to

the parent of his or her final decision.

1. Temporary (Immediate) Suspension

A student may be removed from school immediately without a prior opportunity for a hearing if the student's presence in school poses a direct and immediate safety threat or is substantially disruptive. In that case, the notice and opportunity for an informal hearing will be provided as soon as practicable.

2. Notice to Parent or Guardian

The school administrator will notify the student's parent or guardian that a short-term suspension has been imposed. If English is the second language of the parent, the notice must be provided in English and in the parent's primary language, when the appropriate foreign language resources are readily available. Both versions must be in plain language and easily understandable. The notice will explain why the student has been suspended and will describe the student's misconduct. The notice will be provided on the day of the suspension when reasonably possible, but no later than two days after the suspension is imposed.

3. Appeal of Short-Term Suspension Procedure

If the parent believes that the principal/assistant principal failed to provide the student with sufficient notice of the charges or opportunity to respond to the charges, then the parent shall have five (5) school days from the date of the principal's/assistant principal's decision to make a written request to the superintendent or his/her designee for a review of the suspension procedure. There shall be no right to appeal a short-term suspension to the Board of Education.

B. DISCIPLINARY REASSIGNMENTS ([Policy 4354](#))

Students may be reassigned to an alternative program or school as a disciplinary consequence. The alternative program or school will meet the requirements of the standard course of study and provide the student the opportunity to make timely progress toward grade promotion and graduation.

1. Before recommending a student for a disciplinary reassignment, the student will be provided the due process procedures applicable to short-term suspensions, described above.
2. The principal/assistant principal will provide the student with the due process procedures applicable for short-term suspensions, including written notice of charges and a hearing. In addition, the school administrative hearing shall be held not less than two (2) school days from the date the Notice of Charges and Hearing was mailed or hand delivered to the parent or legal custodian.
3. If the principal recommends a disciplinary reassignment, he/she shall submit such recommendation to the Superintendent for approval/disapproval.
4. The parent shall be provided an opportunity to present any further information to the Superintendent, regarding the proposed disciplinary reassignment by making a request to the Superintendent within 2 days of the administrative hearing.
5. A student attending school under a disciplinary reassignment is not eligible for athletic participation and is not permitted on his/her home school campus without prior permission from the principal.
6. A student is not entitled to appeal a decision to impose a disciplinary reassignment to the local Board of Education.
7. Central Haywood High School, Haywood Middle Academy, and Bridges are not options for disciplinary

reassignment.

C. LONG-TERM SUSPENSION, 365-DAY SUSPENSION, EXPULSION ([Policy 4353](#))

1. Long-term suspension, 365-Day suspension, and expulsion procedures will be followed in accordance with Policy [4353](#). These procedures include the right to written notice of the proposed discipline and the right to request a full hearing before the disciplinary penalty is imposed.
2. The school administrative hearing shall be held not less than two (2) school days from the date the Notice of Charges and Hearing was mailed or hand delivered to the parent or legal custodian.
3. A principal may recommend to the superintendent the long-term suspension of any student who willfully engages in conduct that violates a provision of the Student Code of Conduct that authorizes long-term suspension. Only the superintendent or his/her designee has the authority to long-term suspend a student.
4. If a principal's decision to long term suspend is appealed to the superintendent, the superintendent will convene a discipline hearing to hear the case and present him/her with a recommendation to uphold a school recommended long term suspension or to modify the suspension. This process will follow board policies 4353-Long Term Suspension and 4370-Student Discipline Hearing Procedures.
